## INCOME TAX REGISTRATION FOR 2020

*Dear Sir/Madam,*

*The 2020 income tax return campaign is about to begin. You will be receiving in the mail the relevant filling form and the instruction booklet.*

*Filing income tax return is much more than a simple administrative formality. Not only does it represent 12% of the tax revenues of the Collectivité, but most importantly, it is an essential civic responsibility.*

*This is all the more necessary given the current economic context which has significantly impacted last year's tax revenues.*

*Our collective effort is vital in order to continue the implementation of our public policies, particularly through the creation of structural actions for the territory and valuable projects for the future of our children and the community as a whole.*

*Therefore, I invite you to file your 2020 income tax return with the utmost sincerity and to submit it to the Public Finance Center of Saint-Martin within the set deadline.*

*In accordance with the provisions of article 175 of the Tax Code of Saint-Martin, the mandatory deadline for filing income tax returns for 2020 is set for May 31, 2021.*

*The forms and instruction booklet can be downloaded from the Collectivité of Saint-Martin's website on the following link: [www.com-saint-martin.fr](http://www.com-saint-martin.fr)*

*It is my objective to make tax information more accessible and facilitate the filling process. Therefore, this year we will be complementing our website with a new access entirely dedicated to taxation, so that by next year, with the assistance of the General Directorate of Public Finances, you will be able to calculate your tax return and file online.*

*Please accept, Madam, Sir, the expression of my sincere consideration.*
